Howdy!

Texas Shrimp Association is hosting our 68th Annual Convention on May 2nd and 3rd 2018, at the Isla Grand Resort, South Padre Island, Texas.

This year we anticipate approximately 150 attendees to include, industry members and leaders, dignitaries, media, NOAA, TPWD, Sea Grant, among other coastal conservation organizations.

Your continued support is greatly appreciated. Texas Gulf shrimping is a way of life for many families up and down the coast and is a vital part of our economy and Texas Coastal heritage.

Texas Shrimp Association is a non-profit organization (501 C-6) that develop strategies to educate consumers, lawmakers, press, environmental groups, and the public at large about the importance of protecting and growing the Texas Gulf Shrimping Industry while maintaining a sustainable, environmentally safe product.

Additionally, you'll benefit from the media and social network exposure. Donors will be listed on the event program and will be on display throughout the event.

Sincerely,

Andrea Hance

Andrea Hance, Executive Director
Texas Shrimp Association
